- Your CD (0123456789) has reached its maturity date. At this time, you can make changes to the CD or close the CD. To begin the process, go to the Certificate of Deposit Account Details page. Online Banking and Investing also makes it easy for you to open a new CD account. To open a new account, select the "New Accounts" options under "Accounts & Transactions".
- We'd like to verify your email address. Please take a moment to review the address we have on file by clicking here.
- Please select a Start Page. The Start Page feature allows you to identify which screen you would like to display every time you sign on to Online Banking and Investing.

☐ Your bill payment to Dr. John Smith in the amount of 4,000.00 scheduled for 10/15/2001 could not not be paid due to insufficient funds.

CHANGE CD OPTIONS

CLOSE ACCOUNT

Your Certificate of Deposit (CD) has matured and has automatically been renewed for you. Your renewed CD is shown below. If you would like to make changes to the CD, select "Change CD Options". If you would like to close your CD, select "Close Account".

Key Certificate of Deposit		123456789
Current Balance		4,000.00
Last Interest Payment, paid on 10/01/2001		32.70
Total Interest Paid YTD, as of 10/01/2001		0.00
Total Interest Paid Last Year		164.76
Interest Rate		1.57%
Term		6 months

Member FDIC

Using the Change CD Options feature, you can make changes to the CD on the following dates, 12/02/2003 through 12/12/2003. With this feature, you can select a different type of CD, select a different term/rate/APY, and/or change the balance on your CD.

Using the Close Account feature, you can close the CD and have the funds deposited into one of your Key deposit accounts on the following dates, 12/02/2003 through 12/12/2003.

See your CD disclosure for an explanation of the grace period. Due to routine system maintenance, this feature's availability will vary.

In addition to the features above, Online Banking and Investing also makes it easy for you to open a new CD account. To open a new account, select the "New Accounts" option under "Accounts & Transactions".

Acceptance of Agreement and Signature

When you click the "Accept" button below, it constitutes your written signature and approval of, and intent to be bound by the terms of this Electronic Records Disclosure Agreement and to your consent to receive the resulting Certificate of Deposit account opening disclosures online for this new Certificate of Deposit. These electronic disclosures will be presented before you submit your Change CD Options selections.

DISCLOSURE

In connection with the new Certificate of Deposit account and as a result of the changes designated by you during the Change CD Option process, the related agreements and disclosures ("Electronic Records") provided by Key Bank, National Association and its affiliates (collectively called "Key") are delivered electronically on this website. Electronic Records may not be generally available on paper or in a non-electronic form from Key, except Key may, at its option, provide Electronic Records in paper-based media if requested by you. However, periodic account statements showing activity in your accounts may be mailed to you at the address designated in your records. You may print Electronic Records from your Internet access device if you have the necessary equipment. You may request a paper copy of any Electronic Record by calling 1-800-KEY2YOU®. Key may assess you its fees and charges then in effect and published for providing these copies.

Your consent to receive the Electronic Records applies to the new Certificate of Deposit account resulting due to the Change CD Options selected during this session only. If you do not consent to the use of Electronic Records, you will be unable to Change your CD Options online. You may withdraw your consent at any time during this session by clicking the "Cancel" button at the bottom of any page during the Change CD Option process. All of your information will be erased and you will be returned to the Certificate of Deposit Account Detail page in the application. By calling Key 1-800-KEY2YOU® or, for Small Business customers, 1-888-KEY4BIZ® (1-888-539-4249), you may either cancel this consent prior to Key's establishing the new Certificate of Deposit account or cancel this consent anytime after your account is established. If periodic statements are available for this type of Certificate of Deposit and you wish to receive online delivery of periodic account statements, you will need to approve a separate consent for electronic delivery and accept Key's terms and conditions for this supplemental service.

System Requirements

To change your CD options and receive your new Certificate of Deposit disclosures online, you will need an Internet enabled device.

Browser Requirements

In order to provide the strongest available encryption, your browser must be capable of supporting 128-bit SSL communications or higher. Access to this page verifies that your browser meets our standard requirements.

CONSENT TO ELECTRONIC RECORDS

I hereby consent to the use of Electronic Records in connection with changing my CD options and the resulting new Certificate of Deposit requested online at Key. I am consenting to use Electronic Records only for the new Certificate of Deposit account that I choose during this online session. Matured Certificates of Deposit changed after this session will require additional consent. If the account is a joint account, this consent applies to all individuals designated as account parties thereon.

For help, call us at 1-800-539-9055.

* All interest rates and annual percentage yields (APY) are those in effect the day your CD matured and will be the fixed interest rate and APY for the account selected. Based on the balance tier range your balance falls within for the term selected, the fixed interest rate for that range will be paid on the entire CD balance. Fees may reduce earnings on the account. A penalty will be imposed for early withdrawal.

Personal Certificates of Deposit Account Fees and Disclosures

Greater Cleveland

Effective December 14, 2001
 KeyBank National Association

KeyBank

Member FDIC

Today's Date Is November 15, 2002

MajorSaver® Certificate of Deposit

Term 180 Days	Interest Rate 1.29%*	APY 1.30%*
---------------	----------------------	------------

Maturity Date: Your maturity date is reflected on your Certificate of Deposit receipt that you received at the time you opened your Account or that you received in the mail if you opened your Account over the phone or online.

*For Personal Accounts, the Interest Rate(s) quoted and corresponding Annual Percentage Yield(s) ("APY") are those which were in effect on the day the Account was opened or an inquiry was made as specified above. The applicable Interest Rate applies to the entire balance in the Account. Rates are guaranteed only to the extent specified in this Personal Certificates of Deposit Account Fees and Disclosures.

This Personal Certificates of Deposit Account Fees and Disclosures ("Disclosure") provides information about deposit accounts we offer. While this Disclosure is accurate as of the effective date noted above, specific product features may be changed from time to time. A copy of the current Disclosure may be obtained upon request by contacting us. Current Interest Rate information may be obtained by contacting your KeyCenter or by calling 1-800-KEY2YOU® (1-800-539-2968) TDD 1-800-KEY-TDD1 (1-800-539-8331).

The minimum deposit required to open an Account (Certificate Account) is as follows:

Account Type	Minimum Deposit
--------------	-----------------

15B

15B

FIG.15A

20 / 22

15A

15A

MajorSaver Certificate of Deposit \$5000.00

Additional deposits may not be made during the term to a Key Certificate of Deposit, a MajorSaver Certificate of Deposit, a Key Advantage MajorSaver Certificate of Deposit, or a Step Rate Certificate of Deposit Account.

There are no monthly maintenance service charges or per-item charges on Certificate of Deposit Accounts. Charges such as wire transfer charges and handling legal process charges apply.

Interest Rates & Payments

The Interest Rate and Annual Percentage Yield ("APY") are reflected above and on the deposit receipt. The Interest Rate is the rate in effect on the day the Account is opened and the APY quoted is the yield which would result if the initial Interest Rate were to remain in effect for an entire year. The APY assumes interest remains on deposit until maturity. A withdrawal of interest (including by check or by deposit to another account) prior to maturity will reduce earnings.

The initial Interest Rate on a Key Certificate of Deposit Account, MajorSaver Certificate of Deposit and a Key Advantage MajorSaver Certificate of Deposit Account will be in effect for the length of the term of your Account.

A Certificate Account earns interest from the date of deposit to (but not including) the maturity date. If the maturity date shown on the deposit receipt falls on a Saturday, Sunday, or a legal holiday, the Certificate Account will be payable on the next bank business day and will earn interest until that day. We use the Daily Balance method to compute interest on Certificate Accounts. This method applies the daily percentage rate to the balance in your Account at the close of business for that day. We compute the daily percentage rate by dividing the interest rate by the actual number of days in the year. Interest begins to accrue on non-cash items (for example, checks) presented to us no later than the business day we receive credit for the deposit.

Interest will be compounded daily on all Certificate Accounts. If the Account is a negotiated Certificate Account, the compounding and/or interest payment frequency will be reflected on your receipt.

Interest will be credited as specified in the chart below. Your deposit receipt indicates the option applicable to your Account. Interest will be left in the Account unless you instruct us otherwise. Once credited, interest may be withdrawn from the Account without penalty before the maturity date of the Account.

Interest Payment Options*

Type of Account	Payment Frequency	Interest Payment Dates	Payment to Other Accounts
Up to 180 Day Certificate of Deposit	At Maturity	On your Maturity Date	Optional for all terms over 31 days
181-364 Day and 12 Month Certificate of Deposit	Monthly or at Maturity	Monthly on Anniversary Date or Maturity Date	Optional
13-120 Month Certificate of Deposit	Monthly, Quarterly or Annually	Monthly on Anniversary Date or Quarter end	Optional

**You may receive interest payments by check only if the Certificate of Deposit balance is \$5,000 or more.*

Early Withdrawal Penalties

You have contracted to keep funds in your Certificate Account on deposit with us until the maturity date. We retain the right to refuse to allow early withdrawal at our discretion. If we allow you to make an early withdrawal, the following penalties apply. If the penalty exceeds the amount of interest earned to the date of withdrawal, the difference will be taken out of principal.

Term of Certificate of Deposit	Penalty
7 - 31 days	All simple interest earned with a minimum penalty of 7 days' simple interest
32 - 89 days	One month's simple interest
90 - 359 days	Three months' simple interest
360 days - 23 months	Six months' simple interest
24 - 47 months	Nine months' simple interest
48 months and more	Twelve months' simple interest

15B

Account Maturity and Automatic Renewal

All Certificate of Deposit Accounts will renew automatically unless you specifically request that the Certificate be single maturity. Your Certificate Account will automatically renew at maturity if the automatic renewal provision is checked on your deposit receipt. If the term of your Account is 32 days or greater and it renews automatically, we will notify you before the maturity date. If the term of your Account is less than 32 days and it renews automatically, a notice will only be provided if there is a change in the terms of your Account. All Account types except MajorSaver, Key Advantage MajorSaver, Key Step Rate and Key Freedom Certificates of Deposit will be renewed automatically at the then prevailing interest rate (excluding any premium or special rate we may then be offering) for traditional Certificate Accounts of the same type and with the same term, unless you notify us otherwise. A MajorSaver, Key Advantage MajorSaver, Key Step Rate and Key Freedom Certificate of Deposit will convert upon renewal to a traditional Key Certificate of Deposit at the then prevailing interest rate (excluding any premium or special rate we may then be offering) for a Key Certificate of Deposit Account with the same term, unless you notify us otherwise.

If the term of your Account is 32 days or greater, there is a ten (10) calendar day grace period after the maturity date. If the term of your Account is less than 32 days, there is no grace period. You may withdraw your funds in part or in whole, make additional deposits, or change the term of your Account within the ten (10) calendar day grace period for Accounts with terms of 32 days or greater, or on the maturity date for Accounts with terms less than 32 days. If the tenth day for Accounts with terms of 32 days or greater is a Saturday, Sunday, or a legal holiday, you have until the last business day before that day to make these changes. If the maturity date for accounts with terms of less than 32 days is a Saturday, Sunday, or a legal holiday, you have until the next business day after that day to make these changes.

Your Account will not renew automatically if the automatic renewal provision is not checked on your deposit receipt. If the term of your Account is 32 days or greater and if your Account is not one that automatically renews, we will notify you before the maturity date of your Account and may, at our discretion, give you the option to reinvest the funds in a new Certificate Account. Once the Account has matured, if it is not renewed or reinvested (within the ten (10) day grace period for Accounts with terms of 32 days or greater), it will cease to earn interest. We will pay the proceeds of the Account to you or reinvest the proceeds of the Account in accordance with your instructions.

Any Account with a term of 32 days or greater that is renewed automatically, or reinvested at your option within ten (10) days after the maturity date, will earn interest without interruption. Otherwise, no interest will be earned after maturity. Interest credited to the Account and not withdrawn before renewal or reinvestment will become part of the balance of the Account at maturity and may not be withdrawn without penalty, except as mentioned above. We reserve the right not to renew or reinvest a Certificate Account.
